Location, quality, and ease of living! Quintessential Boston living in this in white-faced brick brownstone just over the Brookline line in Audubon Circle located on a tree lined side street a block away from Saint Mary's "T" Station and two to Fenway "T" Station. This second floor condo features hardwood floors throughout, a 2016 updated kitchen, 2018 remodeled bathroom, oversized living room with a gorgeous fireplace and bright bay window providing space for high-top dining. Two oversized windows go to the floor and provide terrific natural light in the bedroom, which also has a pleasantly surprising amount of closet space with two closets as well as deep storage above them. Utility costs have been extremely low for the owners and they find on-street parking to be very easy in front of the building. Take advantage of this top-notch location and enjoy all of the amenities of Saint Mary's, Fenway, Kenmore Square and more as well as proximity to Longwood Medical, Back Bay, Fenway Park, Lansdowne Commuter Rail Station and a variety of shops and restaurants. Comfortable living in a vibrant neighborhood. Welcome Home!
